TRUE CHRISTMAS CHARITY.

Individuals and Organizations Aiding City Missionary to Assist the Needy.

George E. Stiles on Monday morning sent 100 boxes of candy to Mrs. Phoebe J. Edson, 131 Church street, city missionary. These boxes will be distributed to poor children in the community. Each year, for some time past, Mrs. Edson has distributed toys, candy, fruit, and other articles to the needy of the city. Her work as city missionary has brought her in touch with a number of families in the community who otherwise would have nothing to cheer them on Christmas day.

The Congregational church is doing considerable welfare work by its annual distribution of articles. The schools are also doing good work along this line. Children knowing of poor families in their neighborhood have informed the teachers, and the children have been sent into these homes with gifts. St. Vincent de Paul's society of St. Joseph's church, composed of men of the parish, is also doing benevolent work, and will furnish useful things as well as delicacies to needy families to whom their attention has been called.

BABY DISFIGURED WITH ECZEMA

From Head to Foot, Spread Over Scalp. Every Bit of Hair Came Out. Head and Face Crusty Mass. Cuticura Soap and Ointment Cured.

Cranberry Isles, Me. — "My baby's body was completely covered with eczema. He was about six weeks old when it started. It came on his forehead first, then spread all over his scalp so that every bit of his hair came out. The eczema came in big blotches on his face and neck, which after a few days all ran into a solid mass. He used to rub them and sometimes he would make the blood come. It was in the scalp form on his body, but his head and face seemed to be a crusty mass.

"I tried an ointment for him but it did not do him any good. I tried this one week and by that time baby was one mass of eczema from head to foot. He used to be quite restless nights, and while he had the eczema he did not grow a bit. He was terribly disfigured. I sent and got some Cuticura Ointment and Soap. I used the Cuticura Soap night and morning in a warm bath, and just covered him with the Cuticura Ointment and he was cured in two months. He is nine months old now and has got a nice head of hair and is free from eczema." (Signed) Mrs. Lena E. Spurr, Mar. 26, 1912.

For red, rough, chapped and bleeding hands, itching, burning palms, and painful finger-ends, a one-night Cuticura treatment works wonders. Soak hands, on retiring, in hot water and Cuticura Soap. Dry, anoint with Cuticura Ointment, and wear old, loose gloves during the night. Cuticura Soap and Ointment are sold everywhere. Sample of each mailed free, with 32-6, Skin Book. Address post-card "Cuticura, Dept. T, Boston."

4-cent Tender-faced men should use Cuticura Soap Shaving Stick, 25c. Sample free.
